The below is important information for all participants. Please understand that this is for the sole purpose of providing you with important parking / placement / show information, in conjunction with the specific requirements of the Pompano Citi Centre, prior to your arrival at the show to allow you to have a pleasurable and smooth flowing experience and show. All proceeds go directly to the My Candles of Hope Foundation!! The show personnel are all volunteering their time and talents and we very much appreciate everyone! This show usually has high spectator traffic, a great time to bring those rides out for people to see!

- 1) The show entrance is located near the Sears at the Pompano Citi Centre. No vehicles are permitted to enter the show elsewhere. No exceptions are permitted without specific approval due to size.
- 2) Parking for show vehicles will be within the courtyard and the parking area directly outside of the Sears located at Pompano Citi Centre.
- 3) There are vehicle size restrictions for vehicles parked within the Pompano Citi Centre courtyard. No exceptions are permitted.
- 4) All vehicles placed within the courtyard must remain for the entire show.
- 5) All vehicles placed within the courtyard area must be escorted by show personnel and placed as directed, due to codes and Citi Centre specific requirements.
- 6) Parking / show placement will be based on vehicle, arrival time, capacity of the Pompano Citi Centre's courtyard, and club placement if clubs wish to remain together. Please understand that vehicles will be placed as permitted, based on these requirements. Show personnel will be making these decisions based on this. They are not making these requirements, they are simply following them.
- 7) No tents are permitted within the courtyard except those of specific vendors. Tents and club displays are permitted in the parking / show area located in the outer show area. If any clubs have a need for additional space they must contact John at john@southfloridahotrides.com prior to the end of the business day Friday April 13th.
- 8) There are no "bad spots" at this show. We have made accommodations for the music broadcast to be heard within the courtyard central area, as would be normal, as well as the outer show area near Sears. Music provided by DJ Dee and Scott the Musicman! Some positioning / layout of vehicle placement will promote spectators to flow to all areas during the show!!
